JAZZ AT DAYBREAK WITH LESLIE KEROS

PLUS JAZZ LUNATIQUE WITH DAVID KUNIAN

Now that I'm recovering at home from open heart surgery I've been able to keep up properly with the many hours required to program and operate this unique internet radio station, which I produce in every detail and Steve The Fly faithfully posts each month at [RadioFreeAmsterdam.org](http://RadioFreeAmsterdam.org).

Program changes this month are several: I'm out of episodes of *Blues & Roots* so I'm replacing that show with another blues program from Leslie Keros's archives called *Blues Edition*. Her morning show, *Jazz At Daybreak*, will move to Sunday mornings, replacing her show *Crossroads*. The addition of my early RFA program, *New Orleans Music Show* from the 420 Café, will be broadcast here on Friday mornings. And *Face The Music* will move into the morning slot on Thursdays.

Pushing the 24/7 button on our home page will bring you hour after hour of Radio Free Amsterdam programming on end—

just like a real radio station
