

happy birthday John Sinclair  
you crazy motherfucker  
still kicking & screaming

the blues  
jazz oozing from pores  
heart on hoodie sleeve  
big chief!

last of the  
beatnik warriors  
broadcasting poetry  
in all directions

on page  
on dial  
rockin' blues  
rollin' up all kinda'  
greens

thanks for engraving  
thelonious  
charlie & muddy  
persistently in place  
in hearts

& minds of the people  
cultural oracle  
tribal elder

as times pass  
in space  
your message  
louder & louder  
transformation  
love  
energy

free the weed  
&  
free the people
